

Accessing the member's only pages of the MVT Web

Many people have asked about signing in to the member's pages on the MVT web where sensitive member information (names, addresses, emails) is available along with some other club only items.

These pages are for current MVT members only and each member will have to sign up individually and create their own user ID and password and get approval from the webmaster.

The easiest way is just to select one of the "*Members" page from the menu and when it asks you to log in or sign up, select sign up at the bottom.

When you do this, you will get the following message and a notification will be sent to the webmaster and he/she will approve you.

Success! Your member login request has been sent and is awaiting approval.
The site administrator will notify you via email (mvtmember@mymail.com) once
your request has been approved

Now when you access the members page, log in with your email and password. Check the Remember Me box and you should not have to log in again unless you change computers or browsers.
